

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS	)	
ADJUSTMENT FILING OF EQUITABLE	)	CASE NO. 92-326-N
GAS COMPANY	)	

O R D E R

On April 12, 1993, in Case No. 92-326, the Commission approved certain adjusted rates for Equitable Gas Company, a division of Equitable Resources, Inc. ("Equitable"), and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On July 1, 1996, Equitable filed its GCA to be effective August 1, 1996 through October 31, 1996.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Equitable's notice of July 1, 1996 proposed revised rates designed to pass on expected decreased wholesale gas costs to its customers. Equitable's proposed expected gas cost ("EGC") is \$5.0753 per Mcf, which includes a surcharge component of 80.54 cents per Mcf relating to the settlement of Kentucky West Virginia Gas Company Docket No. TQ 89-1-46-000, et al. before the Federal Energy Regulatory Commission.

2. Equitable's notice of July 1, 1996 set out a current quarter actual adjustment ("AA") of (52.25) cents per Mcf to return over-recovered gas cost from February, March, and April 1996. Equitable did not use the correct sales volume figures in its calculation. Using the sales figures contained in Schedule 3 of its filing instead of those used by Equitable produces a current AA of (6.62) cents per Mcf. Equitable's total AA of 44.04 cents per Mcf reflects the current over-recovery as well as over- and under-recoveries from previous quarters.

3. Equitable's notice set out a current quarter balancing adjustment ("BA") of 4.68 cents per Mcf. Equitable's total BA is 4.82 cents per Mcf.

4. These adjustments produce a revised gas cost recovery ("GCR") rate of \$5.5639 per Mcf, 68.02 cents per Mcf less than its prior GCR rate.

5. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be effective for final meter readings on and after August 1, 1996.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Equitable are hereby denied.
2. The rates in the Appendix to this Order are fair, just, and reasonable and are effective for final meter readings on and after August 1, 1996.
3. Within 30 days of the date of this Order, Equitable shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 1st day of August, 1996.
